Marketing:

February meeting Matt and Ann Marie will have a sample marketing packet available to view. Once these are complete they will hit the town board again and show a new DVD.

Ann Marie will be checking with the Chamber of Commerce to see how much was profited from the Quaker Days to go towards the Miracle Field.

Both plan to revisit the schools to acquire buddies which we are in need of.

Speedway Special Needs Fair will be held soon and OMM will be having a booth there. Dates and times will be posted soon.

Volunteers for the booth will be needed.

Bowling:

We are still waiting on ramp information.

There are no set bowling plans. We are hoping to have a session beginning in mid to late February. More information will be put out as we work on dates, times and locations with the previous bowling coordinator.

Buddies:

We need buddies. Please take any buddy information that you have and send it on to Robin Dilbeck or direct them to our website www.optimistmiraclemovers.org to fill out the volunteer form. Those forms go directly to Robin. We need to be clear when recruiting buddies that we prefer a session commitment. The kids that we serve typically get attached and it is easier for both the player and the buddy if they have a bond formed.

Swimming:

Spring session will be starting March 14th and will run through May 9th. They will be off on April 4th for Spring Break. May 12th will be the swim meet and awards banquet.

Summer session will be June 13th-July 25th, off for July 4th. Family fun swim day and pitch-in will be on July 28th.

Fall session will be September 12th-November 7th, off on October 31st for Halloween. November 10th is the swim meet and awards banquet.

*Announcements will be made at the end of classes starting this spring session to inform parents of any news that is pertinent to the program.

Fall and Spring Sessions: \$40 Summer Session: \$30

Softball:

We are waiting on diamond times from Hummel to set our field times. Games will be played at Hummel again this year. We are hoping to have more information on the Miracle Field soon. Dates and times will be set soon.

New Programs:

Traci Kurmay is exploring the options of possible dance, yoga, and/or gymnastics for a program option. We have an available facility to use but she is scoping out possible qualified instructors. She should have more information for us at the next meeting.

Wrestling is an option as well. However, we would have to have a large group interested due to pairing comparable sizes.

***Next Meeting: February 21st @ 6:30pm in the Hummel Park Community Center**

(Date was changed from its usual 2nd Tuesday due to it falling on Valentines Day.)
